Dear Manufacturers,

I am writing on behalf of Community Healthcare Network; 340 ID CH021630 to inform manufacturers that Community Healthcare Network recently underwent an audit by the Health Resources and Services Administration (HRSA) of Community Healthcare Network's compliance with 340B Drug Pricing Program (340B Program) requirements.

As background, Community Healthcare Network qualified for the 340B Program as a FQHC located in Manhattan, Bronx, Queens and Brooklyn and has participated in the 340B Program since October 1, 2001.

Through the audit process, Community Healthcare Network was found to have non-compliance within their 340B Program and responsible for repayment as a result of the following finding(s):

Dispensed a 340B drug to an ineligible patient as prohibited by 42 USC256b(a)(5)(B)

Community Healthcare Network has identified all affected manufacturers and has contacted each to notify them of these violations to begin a dialogue on a method for repayment to affected manufacturers. If manufacturers have not received notification from Community Healthcare Network and believe repayment may be owed for the violations described in this letter, or if you have any questions or comments regarding the violations described in this letter please contact Chris Quiñones, Vice President of Administration, 212-545-2421, 60 Madison Avenue, NY, NY 10010
