

Dear Manufacturers,

I am writing on behalf of Planned Parenthood of Western Pennsylvania FP155015 to inform manufacturers that Planned Parenthood of Western Pennsylvania underwent an audit in May 2012 by the Health Resources and Services Administration (HRSA) of Planned Parenthood of Western Pennsylvania's compliance with 340B Drug Pricing Program (340B Program) requirements.

As background, Planned Parenthood of Western Pennsylvania qualified for the 340B Program as a family planning provider located in Somerset, Pennsylvania and has participated in the 340B Program since January 1, 1998.

Through the audit process, Planned Parenthood of Western Pennsylvania was found to have non-compliance within their 340B Program and responsible for repayment as a result of the following finding(s):

Duplicate discount – Medicaid Number listed incorrectly on the Medicaid Exclusion File

Planned Parenthood of Western Pennsylvania has identified all affected manufacturers and has contacted each to notify them of these violations to begin a dialogue on a method for repayment to affected manufacturers. If manufacturers have not received notification from Planned Parenthood of Western Pennsylvania and believe repayment may be owed for the violations described in this letter, or if you have any questions or comments regarding the violations described in this letter please contact Kimberlee Evert, CEO at 412-258-9530 or 933 Liberty Avenue, Pittsburgh, PA 15222
