Dear Manufacturers,.

I am writing on behalf of Dickinson College (340B ID#FP 110081) to inform manufacturers that Dickinson College recently underwent an audit by the Health Resources and Services Administration (HRSA) of Dickinson College's compliance with 340B Drug Pricing Program (340B Program) requirements.

As background, Dickinson College qualified for the 340B Program as a family planning clinic in Carlisle, PA and has participated in the 340B Program since Jan. 1, 1998.

Through the audit process, Dickinson College was found to have non-compliance within their 340B Program and responsible for repayment as a result of the following finding(s):

"Dickinson College did not have adequate controls to prevent duplicate discounts which may have resulted in duplicate discounts as prohibited by 42 USC 256b(a)(5)(A)."

Dickinson College has identified all affected manufacturers and has contacted each to notify them of these violations to begin a dialogue on a method for repayment to affected manufacturers. If manufacturers have not received notification from Dickinson College and believe repayment may be owed for the violations described in this letter, or if you have any questions or comments regarding the violations described in this letter please contact Beth Graham, Office Manager, Dickinson College Wellness Center, P.O. Box 1773, Carlisle, PA 17013.
