

October 31, 2016

Dear Manufacturers,

I am writing on behalf of AIDS Healthcare Foundation (AHF; 340B ID RWI900481) to inform manufacturers that AIDS Healthcare Foundation recently underwent an audit by the Health Resources and Services Administration (HRSA) of AIDS Healthcare Foundation's compliance with 340B Drug Pricing Program (340B Program) requirements.

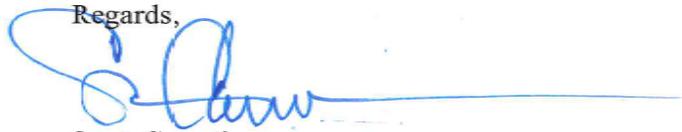

As background, AIDS Healthcare Foundation qualified for the 340B Program as a Ryan White Part A covered entity, located at 99 N La Cienega Blvd., Beverly Hills, California 90211 and has participated in the 340B Program since July 1, 2005.

Through the audit process, HRSA made the following finding with respect to AIDS Healthcare Foundation's compliance with the requirements of the 340B program, and may be responsible for repayment as a result of the finding:

Finding 1: AHF billed Medicaid contrary to information contained in the 340B Medicaid Exclusion File. This may have resulted in a duplicate discount as prohibited by section 340B(a)(5)(A) of the PHS.

AHF determined through corrective action that the finding involved a single claim. AHF calculates the finding amount to be \$2.61 for this one non-complaint transaction. AIDS Healthcare Foundation has identified the affected manufacturer and has notified them of this finding to begin a dialogue on a method for repayment. If manufacturers have not received notification from AIDS Healthcare Foundation and believe repayment may be owed for the finding described in this letter, or if you have any questions or comments regarding the finding described in this letter please contact Scott Carruthers, AHF National Director of Pharmacy, 6255 W. Sunset Blvd, 21st Floor, Los Angeles, California 90028, 323.860.5200.

Regards,

Scott Carruthers
Chief of Pharmacy/Senior Manager
