

Dear Manufacturers,

I am writing on behalf of **AxessPointe Community Health Center, Inc. (API; 340B ID CH057270)** to inform manufacturers that API recently underwent an audit by the Health Resources and Services Administration (HRSA) of API's compliance with 340B Drug Pricing Program (340B Program) requirements.

As background, API qualified for the 340B Program as a consolidated health center program in Akron, Ohio and has participated in the 340B Program since 1/1/2005.

Through the audit process, API was found to have non-compliance within their 340B Program and responsible for repayment as a result of the following finding:

API dispensed 340B drugs to ineligible individuals, as prohibited by section 340B(a)(5)(B) of the PHSA.

API has identified all affected manufacturers and has contacted each to notify them of these violations to begin a dialogue on a method for repayment to affected manufacturers. If manufacturers have not received notification from API and believe repayment may be owed for the violations described in this letter, or if you have any questions or comments regarding the violations described in this letter please contact Magdi Awad, Director of Pharmacy Services.

Sincerely,

Magdi Awad, PharmD
