Dear Manufacturers,

I am writing on behalf of Feather River Hospital (340B ID: DSH050225), to inform manufacturers that Feather River Hospital recently underwent an audit by the Health Resources and Services Administration (HRSA) of Feather River Hospital's compliance with 340B Drug Pricing Program (340B) requirements.

As background, Feather River Hospital qualified for the 340B Program as a Disproportionate Share Hospital at 5974 Pentz Road, Paradise, CA 95969, and has participated in the 340B Program since 2010. Through the audit process, Feather River Hospital was found to have non-compliance within their 340B Program and responsible for repayment as a result of the following findings:

Feather River Hospital dispensed a 340B drug to ineligible individuals, as prohibited by section 340B(a)(5)(B) of the PHSA.

Feather River Hospital has identified all affected manufacturers and has contacted each to notify them of these violations to begin a dialogue on a method for repayment to affected manufacturers. If manufacturers have not received notification from Feather River Hospital and believe repayment may be owed for the violation described in this letter, or if you have any questions or comments regarding the violation described in this letter, within the next 60 days from the date of this letter, please contact me at 530-876-7112.

Regards,

Gary Kemske
