Dear Manufacturers,

I am writing on behalf of Forsyth Memorial Hospital d/b/a Novant Health Forsyth Medical Center (FMH; 340B ID DSH340014) to inform manufacturers that FMH recently underwent an audit by the Health Resources and Services Administration (HRSA) of FMH's compliance with 340B Drug Pricing Program (340B Program) requirements.

As background, FMH qualified for the 340B Program as a Disproportionate Share Hospital in Winston-Salem, North Carolina and has participated in the 340B Program since July 1, 2007.

Through the audit process, FMH was found to have non-compliance within their 340B Program and responsible for repayment as a result of the following finding(s):

- FMH dispensed 340B drugs to ineligible individuals, as prohibited by section 340B(a)(5)(B) of the PHSA.

FMH has identified all affected manufacturers and has contacted each to notify them of these violations to begin a dialogue on a method for repayment to affected manufacturers. If manufacturers have not received notification from FMH and believe repayment may be owed for the violations described in this letter, or if you have any questions or comments regarding the violations described in this letter please contact Elizabeth Hansen, RPh, 340B Specialist, echansen@novanthealth.org, 336-277-0301, 3334 Healy Drive, Winston-Salem, NC 27103.

Respectfully,
Elizabeth C. Hansen, RPh
