

Dear Manufacturers,

I am writing on behalf of La Clinica de La Raza, Inc. (LCDLR)(340B ID CH091230) to inform manufacturers that LCDLR recently underwent an audit by the Health Resources and Services Administration (HRSA) of LCDLR 's compliance with 340B Drug Pricing Program (340B Program) requirements.

As background, LCDLR qualified for the 340B Program as a Federally Qualified Health Center located in Oakland, CA, and has participated in the 340B Program since December 1, 1992.

Through the audit process, LCDLR was found to have non-compliance with the 340B Program and responsible for repayment as a result of the following finding: "LCDLR dispensed a 340B drug to an ineligible individual, as prohibited by Section 340B(a)(5)(B) of the PHSA."

LCDLR has identified all affected manufacturers and has contacted each to notify them of these violations to begin a dialogue on a method for repayment to affected manufacturers. If manufacturers have not received notification from LCDLR and believe repayment may be owed for the violations described in this letter, or if you have any questions or comments regarding the violations described in this letter please contact Zenaida Aguilera, Compliance Officer, at P.O. Box 22210 Oakland CA 94623 or 510-535-4000.

Sincerely,

Jane Garcia  
Chief Executive Officer
