Dear Manufacturers,

I am writing on behalf of Sonora Community Hospital DBA Sonora Regional Medical Center SCH050335-00 to inform manufacturers that Sonora Regional Medical Center recently underwent an audit by the Health Resources and Services Administration (HRSA) of Sonora Regional Medical Center's compliance with 340B Drug Pricing Program (340B Program) requirements.

As background, Sonora Regional Medical Center qualified for the 340B Program as a Sole Community Hospital in the rural location of Sonora, California and has participated in the 340B Program since July 1, 2011.

Through the audit process, Sonora Regional Medical Center was found to have non-compliance within their 340B Program and responsible for repayment as a result of the following finding:

Finding: SRMC dispensed a 340B drug to an ineligible individual, as prohibited by section 340B (a) (5) (B) of the PHSA.

SRMC has identified all affected manufacturers and has contacted each to notify them of these violations to begin a dialogue on a method for repayment to affected manufacturers. If manufacturers have not received notification from Sonora Regional Medical Center and believe repayment may be owed for the violation described in this letter, or if you have any questions or comments regarding the violations described in this letter please contact: Ashley Pedroni, 340B Program Specialist, Sonora Regional Medical Center, 1000 Greenley Rd, Sonora, CA 95370, telephone number 209-536-3704, email: [pedronal@ah.org](mailto:pedronal@ah.org).

Sincerely yours,

A handwritten signature in blue ink that reads "Andrew Jahn".
