Dear Manufacturers,

I am writing on behalf of St. Cloud Hospital (SCH240036), to inform manufacturers that St. Cloud Hospital recently underwent an audit by the Health Resources and Services Administration (HRSA) of St. Cloud Hospital's compliance with 340B Drug Pricing Program (340B Program) requirements.

As background, St. Cloud Hospital qualified for the 340B Program as a sole community hospital in St. Cloud, Minnesota and has participated in the 340B Program since April, 2012.

Through the audit process, St. Cloud Hospital was found to have non-compliance within their 340B Program and responsible for repayment as a result of the following finding(s):

St. Cloud Hospital dispensed 340B drugs to ineligible individuals, as prohibited by section 340B(a)(5)(B) of the PHSA.

St. Cloud Hospital has identified all affected manufacturers and has contacted each to notify them of these violations to begin a dialogue on a method for repayment to affected manufacturers. If manufacturers have not received notification from St. Cloud Hospital and believe repayment may be owed for the violations described in this letter, or if you have any questions or comments regarding the violations described in this letter please contact Jennifer Hagen, Ambulatory Pharmacy Director at 320-229-5199 x70979 or hagenj@centracare.com.

Sincerely,

A handwritten signature in blue ink that reads "Jennifer Hagen, PharmD".
