

Wheaton Franciscan Healthcare

In Partnership with the Felician Sisters

February 25, 2016

Dear Manufacturers,

I am writing on behalf of Wheaton Franciscan Healthcare – St. Francis (WFH-SF), (DSH520078) to inform manufacturers that WFH-SF recently underwent an audit by the Health Resources and Services Administration (HRSA) of WFH-SF's compliance with 340B Drug Pricing Program (340B Program) requirements.

As background, WFH-SF qualified for the 340B Program as a Disproportionate Share Hospital located at 3237 South 16th Street, Milwaukee, WI 53215 and has participated in the 340B Program since October 1, 2006.

Through the audit process, WFH-SF was found to have non-compliance within their 340B Program and may be responsible for repayment as a result of the following finding(s):

WFH-SF dispensed 340B drugs to ineligible individuals, as prohibited by section 340B(a)(5)(B) of the PHSA. WFH-SF has a HRSA-approved Corrective Action Plan in place.

WFH-SF has identified all affected manufacturers and will contact each to notify them of this violation. If manufacturers have not received notification from WFH-SF and believe repayment may be owed for the violations described in this letter, or if you have any questions or comments regarding the violations described in this letter please contact:
