

**Notice Regarding Recalculated 340B Ceiling Prices for Zydus Pharmaceuticals, Inc. Products Impacted for the Time Period 1Q 2012 through 4Q 2014**

Zydus Pharmaceuticals, Inc. (“Zydus”) has recalculated Average Manufacturer Price (“AMP”) and Best Price (“BP”) values previously submitted to the Centers for Medicare & Medicaid Services (“CMS”) for certain products for the 3Q 2011 through 2Q 2014 time period. Zydus has also recalculated the 340B ceiling prices for the products on the attached list and associated quarters of 1Q 2012 through 4Q 2014 based on the corrected AMP and BP values.

Zydus has asked the Office of Pharmacy Affairs (“OPA”) to post this notice on OPA’s public website to ensure transparency by providing access to information regarding Zydus’ recalculation and potential overpayment by certain 340B Covered Entities for impacted Zydus products related thereto. Zydus will be communicating with and issuing refunds via Apexus to 340B Covered Entities where the Zydus data demonstrates that a 340B Covered Entity has overpaid by **\$10 or more** in the aggregate for the impacted products set forth above for the 1Q 2012 through 4Q 2014 time period.

In the event the Zydus data demonstrates that a 340B Covered Entity has overpaid less than **\$10** in the aggregate for the impacted products set forth above for the 1Q 2012 through 4Q 2014 time period, Zydus will not be issuing refunds on its own accord. However, if any 340B Covered Entity believes it has overpaid by \$10 or less in the aggregate for the impacted products set forth above for the 1Q 2012 through 4Q 2014 time period and would like a refund, the Covered Entity should contact Zydus directly at 609-730-1900 or via email at [340BRefund@zydususa.com](mailto:340BRefund@zydususa.com). Please give Apexus sufficient time to contact impacted 340B Covered Entities prior to contacting Zydus. If you have not been contacted by Apexus by November 30<sup>th</sup> 2015, then you can assume your organization is not above the \$10 impact level and may contact Zydus for a refund.

Upon the 340B Covered Entity’s request, and upon our internal validation, an aggregate overpayment less than \$10 by a 340B Covered Entity for the impacted products set forth in the attached list for the 1Q 2012 through 4Q 2014 time period will be refunded by Zydus so long as such request is received on or before December 31, 2015.
