

Notice Regarding Recalculated 340B Ceiling Prices for Certain Genentech Products impacted for the time period 3Q 2012 through 2Q 2013

Genentech, Inc. ("Genentech") has recalculated Average Manufacturer Price ("AMP") and Best Price ("BP") values previously submitted to the Centers for Medicare & Medicaid Services ("CMS") for certain products from 1Q 2012 through 4Q 2012. Genentech has also recalculated the 340B ceiling prices for the affected products and associated quarters of 3Q 2012 through 2Q 2013 based on the corrected AMP and BP values.

Genentech has asked the Office of Pharmacy Affairs ("OPA") to post this notice on OPA's public website to ensure transparency by providing access to information regarding Genentech's recalculation and refund program to the public and specifically, to any affected 340B Covered Entity.

Genentech will issue refunds to 340B Covered Entities where our data indicates a difference between the original and recalculated 340B ceiling price for direct and indirect purchases in favor of Covered Entities of those products listed below.
