THE NATIONAL HEALTH SERVICE CORPS (NHSC)

Provides assistance to communities that have limited or no access to primary care health care services by providing financial assistance to dedicated providers practicing in these communities.
The NHSC provides financial support to providers in exchange for working at NHSC-approved sites.
HEALTH PROFESSIONAL SHORTAGE AREAS

• The degree of shortage in a community is determined by a scoring system that utilizes data such as the patient to provider ratio, average distance to a primary care provider, low birth weight, and other socioeconomic determinants of health

• Scores range from 0 to 26

OUR MISSION IS TO PROVIDE QUALITY SERVICES THAT PROMOTE WELLNESS & BALANCE OF MIND, BODY AND SPIRIT FOR THE COMMUNITIES WE SERVE.

The NATIVE Project was incorporated in 1989 as a 501 (c) 3 non-profit agency offering safe & fun activities to youth in the greater Spokane area. Addressing an alarming trend of alcohol and substance abuse issues in the community, the NATIVE Project quickly evolved into an adolescent youth, outpatient treatment center. By 1999, the NATIVE Project became the parent company to an I.H.S. contracted, Federally Qualified Health Center (FQHC) called NATIVE Health of Spokane. Since our incorporation, we have served over 217 Federally recognized Tribes from across the US & over 16,000 patients. We're a multidisciplinary team agency that includes chemical dependency, mental health, dental, pharmacy and primary care treatment. In the clinic alone, we have 1 MD, 2 ARNPs, 2 RNs, 1 LPN, 2 HCAs, 1 RD/CDE, 1 LICSW/CDP, 1 LMHC, 1 Clinical Case Manager, 1 Clinic Manager, 2 Schedulers, 2 Patient Registration, 1 Clinical Applications Coordinator, 1 Researcher & an on-site contracted pharmacy.
