National HIV/AIDS Strategy

- Released by President Obama on July 13, 2010

- Vision: “The United States will become a place where new HIV infections are rare and when they do occur, every person, regardless of age, gender, race/ethnicity, sexual orientation, gender identify or socio-economic circumstance, will have unfettered access to high quality, life-extending care, free from stigma and discrimination.”

- Four main goals:
  - Reducing new HIV Infections
  - Increasing access to care and improving health outcomes for PLWHA
  - Reducing HIV-related disparities and health inequities
  - Achieving a more coordinated national response to the HIV epidemic
Ryan White HIV/AIDS Program

- Increase access to care for people living with HIV disease (PLWH)
- RWHAP served over 553,990 persons PLWH in 2011
- Only disease-specific discretionary grant program for care and treatment of PLWH
- Payer of last resort – safety net for uninsured and low-income individuals living with HIV/AIDS
- Funding for:
  - Primary health care including medications
  - Provider training
  - Support services
  - Technical Assistance
  - Demonstration projects
